

STEP 8:

Open a new 3D Sketch.
Sketch a 3-Point Arc on both ends and add the Tangent relations as indicated.

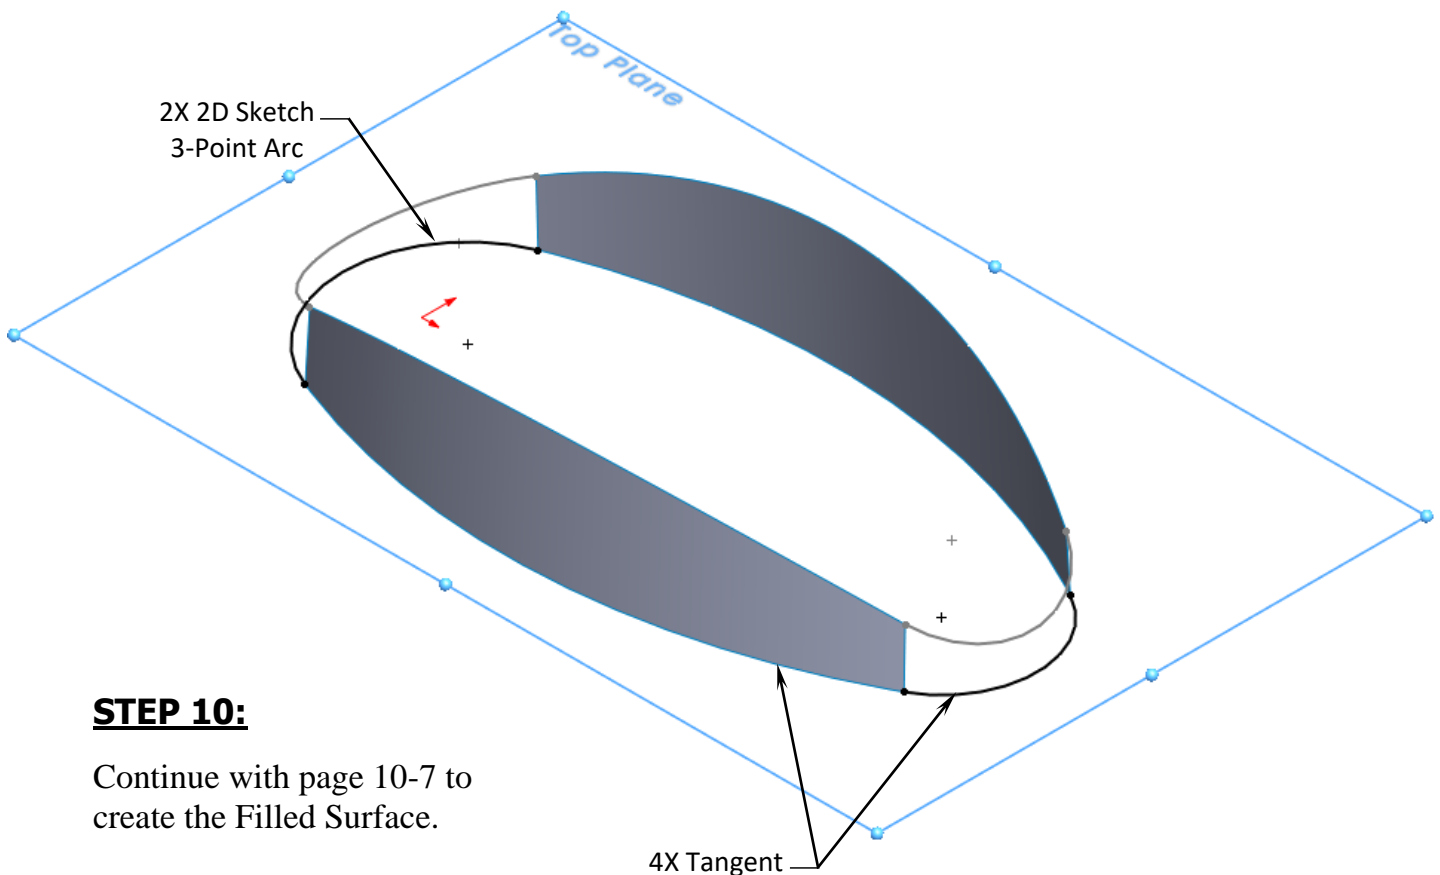

Exit the 3D Sketch.

STEP 9:

Open a new 2D Sketch on the TOP plane.
Sketch a 3-Point arc on both ends as shown below.
Add the Tangent relations as noted.

Exit the 2D Sketch.

STEP 10:

Continue with page 10-7 to create the Filled Surface.
