

# AutoCAD® Civil 3D® 2013 Essentials

# Table of Contents

|                                                                       |             |
|-----------------------------------------------------------------------|-------------|
| <b>Preface .....</b>                                                  | <b>ix</b>   |
| <b>Chapter 1 The AutoCAD Civil 3D Interface .....</b>                 | <b>1-1</b>  |
| <b>1.1 Product Overview .....</b>                                     | <b>1-4</b>  |
| <b>1.2 AutoCAD Civil 3D Workspaces .....</b>                          | <b>1-6</b>  |
| <b>1.3 AutoCAD Civil 3D User Interface .....</b>                      | <b>1-8</b>  |
| Practice 1a Overview of AutoCAD Civil 3D and its User Interface ..... | 1-13        |
| <b>1.4 AutoCAD Civil 3D Toolspace.....</b>                            | <b>1-17</b> |
| Prospector Tab .....                                                  | 1-18        |
| Settings Tab.....                                                     | 1-20        |
| Survey Tab.....                                                       | 1-22        |
| Toolbox Tab .....                                                     | 1-22        |
| <b>1.5 AutoCAD Civil 3D Panorama .....</b>                            | <b>1-24</b> |
| Practice 1b AutoCAD Civil 3D Toolspace .....                          | 1-25        |
| <b>1.6 AutoCAD Civil 3D Templates, Settings, and Styles ..</b>        | <b>1-33</b> |
| Drawing Settings in Detail.....                                       | 1-34        |
| Styles .....                                                          | 1-45        |
| Templates .....                                                       | 1-53        |
| Practice 1c AutoCAD Civil 3D Styles .....                             | 1-56        |
| <b>Chapter 2 Parcels .....</b>                                        | <b>2-1</b>  |
| <b>2.1 Lines and Curves.....</b>                                      | <b>2-4</b>  |
| Practice 2a Beginning a Subdivision Project .....                     | 2-7         |
| <b>2.2 Introduction to Parcels .....</b>                              | <b>2-10</b> |
| ROW Parcel .....                                                      | 2-12        |
| Parcel Style Display Order .....                                      | 2-13        |
| Parcel Properties .....                                               | 2-14        |
| Parcel Labels and Styles .....                                        | 2-15        |
| Create Parcels from Objects.....                                      | 2-16        |
| Creating Right-of-Way Parcels .....                                   | 2-16        |
| Practice 2b Create Parcels From Objects.....                          | 2-17        |
| <b>2.3 Creating and Editing Parcels by Layout Overview....</b>        | <b>2-23</b> |
| <b>2.4 Creating and Editing Parcels.....</b>                          | <b>2-26</b> |
| Freehand.....                                                         | 2-27        |
| Slide Line .....                                                      | 2-27        |
| Swing Line .....                                                      | 2-28        |

|                                                                   |             |
|-------------------------------------------------------------------|-------------|
| Free Form Create .....                                            | 2-28        |
| Frontage .....                                                    | 2-28        |
| Practice 2c Creating and Editing Parcels .....                    | 2-29        |
| <b>2.5 Renumbering Parcels .....</b>                              | <b>2-33</b> |
| Practice 2d Rename/Renumber Parcels .....                         | 2-34        |
| <b>2.6 Parcel Reports .....</b>                                   | <b>2-39</b> |
| <b>2.7 Parcel Labels .....</b>                                    | <b>2-40</b> |
| <b>2.8 Parcel Tables .....</b>                                    | <b>2-43</b> |
| Practice 2e Reporting On and Annotating the<br>Parcel Layout..... | 2-45        |
| <b>Chapter 3 Survey.....</b>                                      | <b>3-1</b>  |
| <b>3.1 Survey Workflow Overview .....</b>                         | <b>3-5</b>  |
| <b>3.2 Introduction to the Survey Toolspace.....</b>              | <b>3-9</b>  |
| <b>3.3 The Survey Database .....</b>                              | <b>3-10</b> |
| Practice 3a Creating a Survey Database.....                       | 3-12        |
| <b>3.4 Survey Networks .....</b>                                  | <b>3-17</b> |
| Practice 3b Creating a Survey Network.....                        | 3-19        |
| <b>3.5 Survey Figures .....</b>                                   | <b>3-21</b> |
| Drawing Settings.....                                             | 3-22        |
| Figure Styles.....                                                | 3-22        |
| Figure Prefix Database .....                                      | 3-24        |
| Practice 3c Creating Figure Prefixes .....                        | 3-25        |
| <b>3.6 Importing a Field Book .....</b>                           | <b>3-26</b> |
| Practice 3d Importing a Field Book.....                           | 3-29        |
| <b>3.7 Working with Figures.....</b>                              | <b>3-32</b> |
| Practice 3e Field Book Edits, Styles,<br>and Figure Prefixes..... | 3-34        |
| <b>3.8 Filtering a Survey Database .....</b>                      | <b>3-39</b> |
| Practice 3f Filter a Survey Database .....                        | 3-43        |
| <b>3.9 Points Overview .....</b>                                  | <b>3-45</b> |
| Practice 3g Point Marker Styles .....                             | 3-52        |
| <b>3.10 Point Label Styles .....</b>                              | <b>3-57</b> |
| Information Tab.....                                              | 3-58        |
| General Tab.....                                                  | 3-58        |
| Layout Tab.....                                                   | 3-60        |
| Dragged State Tab .....                                           | 3-62        |
| Practice 3h Point Label Styles .....                              | 3-64        |
| <b>3.11 Point Settings .....</b>                                  | <b>3-69</b> |

|                                                                  |              |
|------------------------------------------------------------------|--------------|
| <b>3.12 Creating Points .....</b>                                | <b>3-71</b>  |
| <b>3.13 Transparent Command .....</b>                            | <b>3-72</b>  |
| Practice 3i Creating AutoCAD Civil 3D Points .....               | 3-73         |
| <b>3.14 Description Key Sets.....</b>                            | <b>3-75</b>  |
| Practice 3j Creating a Description Key Set .....                 | 3-79         |
| <b>3.15 Importing and Exporting Points.....</b>                  | <b>3-84</b>  |
| To Import Points.....                                            | 3-84         |
| Duplicate Point Numbers .....                                    | 3-86         |
| Transforming Points on Import or Export .....                    | 3-87         |
| Practice 3k Importing and Exporting Points Part I .....          | 3-89         |
| Practice 3l Importing and Exporting Points Part II .....         | 3-93         |
| <b>3.16 Point Groups.....</b>                                    | <b>3-95</b>  |
| Practice 3m Creating Point Groups .....                          | 3-101        |
| <b>3.17 Reviewing and Editing Points .....</b>                   | <b>3-104</b> |
| Practice 3n Manipulating Points.....                             | 3-107        |
| <b>3.18 Locking/Unlocking Points .....</b>                       | <b>3-109</b> |
| Practice 3o Point Locking and Editing .....                      | 3-111        |
| <b>3.19 Point Reports .....</b>                                  | <b>3-113</b> |
| Practice 3p Point Reports .....                                  | 3-115        |
| <b>Chapter 4 Surfaces.....</b>                                   | <b>4-1</b>   |
| <b>4.1 Surface Process .....</b>                                 | <b>4-4</b>   |
| <b>4.2 Surface Properties .....</b>                              | <b>4-10</b>  |
| Practice 4a Creating an Existing Ground Surface<br>Part I .....  | 4-12         |
| <b>4.3 Contour Data.....</b>                                     | <b>4-15</b>  |
| Weeding Factors.....                                             | 4-16         |
| Supplementing Factors .....                                      | 4-16         |
| Contour Issues.....                                              | 4-17         |
| Minimizing Flat Triangle Strategies.....                         | 4-18         |
| <b>4.4 Other Surface Data .....</b>                              | <b>4-19</b>  |
| DEM Files .....                                                  | 4-19         |
| Drawing Objects.....                                             | 4-19         |
| Point Files .....                                                | 4-19         |
| Point Groups .....                                               | 4-20         |
| Point Survey Queries .....                                       | 4-20         |
| Figure Survey Queries .....                                      | 4-20         |
| Practice 4b Creating an Existing Ground Surface<br>Part II ..... | 4-21         |
| <b>4.5 Breaklines and Boundaries .....</b>                       | <b>4-27</b>  |
| Breaklines .....                                                 | 4-28         |

|                                                                   |             |
|-------------------------------------------------------------------|-------------|
| <b>4.6 Surface Analysis Tools.....</b>                            | <b>4-32</b> |
| Viewing a Surface in 3D .....                                     | 4-32        |
| Quick Profile .....                                               | 4-32        |
| Practice 4c Creating an Existing Ground Surface<br>Part III ..... | 4-33        |
| <b>4.7 Surface Editing.....</b>                                   | <b>4-40</b> |
| Line Edits .....                                                  | 4-41        |
| Point Edits.....                                                  | 4-42        |
| Simplify Surface.....                                             | 4-42        |
| Smooth Contours.....                                              | 4-43        |
| Smooth Surface .....                                              | 4-44        |
| Copy Surface .....                                                | 4-45        |
| Surface Paste .....                                               | 4-46        |
| Raise/Lower Surface .....                                         | 4-46        |
| <b>4.8 Adjusting Surfaces through Surface Properties .....</b>    | <b>4-47</b> |
| <b>4.9 Viewing Surfaces in 3D.....</b>                            | <b>4-48</b> |
| Practice 4d Surface Edits .....                                   | 4-49        |
| <b>4.10 Surface Labels.....</b>                                   | <b>4-61</b> |
| Contour Labels .....                                              | 4-62        |
| Spot and Slope Labels.....                                        | 4-62        |
| <b>4.11 Surface Volume Calculations.....</b>                      | <b>4-63</b> |
| Volumes Dashboard .....                                           | 4-63        |
| Bounded Volumes .....                                             | 4-63        |
| Volume Reports .....                                              | 4-64        |
| Grid Volume or TIN Volume Surface .....                           | 4-64        |
| <b>4.12 Surface Analysis Display .....</b>                        | <b>4-65</b> |
| Analysis Settings .....                                           | 4-67        |
| Analysis Data Display .....                                       | 4-67        |
| Practice 4e Surface Labeling and Analysis .....                   | 4-68        |
| <b>Chapter 5 Alignments.....</b>                                  | <b>5-1</b>  |
| <b>5.1 Roadway Design Overview .....</b>                          | <b>5-4</b>  |
| <b>5.2 AutoCAD Civil 3D Sites .....</b>                           | <b>5-5</b>  |
| <b>5.3 Introduction to Alignments .....</b>                       | <b>5-7</b>  |
| Criteria-Based Design.....                                        | 5-8         |
| Alignment Types .....                                             | 5-9         |
| Alignment Segment Types.....                                      | 5-10        |
| Practice 5a Creating Alignments from Objects .....                | 5-12        |
| <b>5.4 Alignments Layout Tools .....</b>                          | <b>5-18</b> |
| Alignment Editing.....                                            | 5-20        |
| Practice 5b Creating and Modifying Alignments .....               | 5-21        |

|                                                          |             |
|----------------------------------------------------------|-------------|
| <b>5.5 Alignment Properties .....</b>                    | <b>5-27</b> |
| Station Control Tab .....                                | 5-27        |
| Design Criteria Tab .....                                | 5-27        |
| <b>5.6 Labels and Tables .....</b>                       | <b>5-29</b> |
| Alignment Point Labels .....                             | 5-29        |
| Independent Alignment Labels .....                       | 5-30        |
| Alignment Table Styles .....                             | 5-32        |
| Practice 5c Alignment Properties and Labels .....        | 5-33        |
| <b>Chapter 6 Data Sharing.....</b>                       | <b>6-1</b>  |
| <b>6.1 AutoCAD Civil 3D Projects .....</b>               | <b>6-4</b>  |
| Single-Design Drawing Projects .....                     | 6-4         |
| Multiple Drawings Sharing Data using Shortcuts .....     | 6-4         |
| Multiple Drawings Sharing Data with Autodesk Vault ..... | 6-5         |
| <b>6.2 Sharing Data .....</b>                            | <b>6-6</b>  |
| <b>6.3 Data Shortcuts .....</b>                          | <b>6-7</b>  |
| Update Notification.....                                 | 6-8         |
| Removing and Promoting Shortcuts .....                   | 6-9         |
| eTransmit Data References .....                          | 6-9         |
| Data Shortcut Workflow .....                             | 6-10        |
| Workflow Details .....                                   | 6-10        |
| Advantages of Data Shortcuts .....                       | 6-11        |
| Limitations of Data Shortcuts .....                      | 6-11        |
| Practice 6a Data Shortcuts Part I.....                   | 6-12        |
| Practice 6b Data Shortcuts Part II.....                  | 6-16        |
| Practice 6c Data Shortcuts Part III .....                | 6-25        |
| <b>6.4 Autodesk Vault Overview .....</b>                 | <b>6-28</b> |
| Key Terms.....                                           | 6-29        |
| Vault Architecture.....                                  | 6-30        |
| <b>Chapter 7 Profiles.....</b>                           | <b>7-1</b>  |
| <b>7.1 Profiles Overview .....</b>                       | <b>7-4</b>  |
| Repositioning and Deleting Profile Views .....           | 7-5         |
| <b>7.2 Create Profiles from Surface .....</b>            | <b>7-6</b>  |
| <b>7.3 Create a Profile View Style .....</b>             | <b>7-8</b>  |
| <b>7.4 Create Profile View Wizard .....</b>              | <b>7-14</b> |
| Practice 7a Working with Profiles Part I.....            | 7-19        |
| <b>7.5 Finished Ground Profiles.....</b>                 | <b>7-24</b> |
| <b>7.6 Create and Edit Profiles .....</b>                | <b>7-25</b> |
| Transparent Commands .....                               | 7-26        |
| Assigning Profile Band Elevations .....                  | 7-27        |
| Profile Segment Types.....                               | 7-28        |

|                                                          |             |
|----------------------------------------------------------|-------------|
| Profile Labels .....                                     | 7-28        |
| Practice 7b Working with Profiles Part II.....           | 7-29        |
| Practice 7c Working with Profiles Additional Practice... | 7-37        |
| <b>Chapter 8 Corridors .....</b>                         | <b>8-1</b>  |
| <b>8.1 Assembly Overview .....</b>                       | <b>8-4</b>  |
| Assemblies .....                                         | 8-4         |
| Subassemblies .....                                      | 8-5         |
| <b>8.2 Modifying Assemblies .....</b>                    | <b>8-8</b>  |
| Attaching Subassemblies .....                            | 8-8         |
| Detaching Subassemblies .....                            | 8-10        |
| Copying Assemblies .....                                 | 8-10        |
| Mirroring Assemblies .....                               | 8-10        |
| Select Similar Subassemblies .....                       | 8-11        |
| Sharing Assemblies .....                                 | 8-11        |
| Getting More Information on Subassemblies.....           | 8-12        |
| Practice 8a Creating Assemblies.....                     | 8-13        |
| Practice 8b Creating Assemblies Additional Practice ...  | 8-18        |
| <b>8.3 Creating a Corridor .....</b>                     | <b>8-23</b> |
| Target Mapping.....                                      | 8-24        |
| <b>8.4 Corridor Properties .....</b>                     | <b>8-26</b> |
| Information Tab.....                                     | 8-26        |
| Parameters Tab .....                                     | 8-26        |
| Codes .....                                              | 8-27        |
| Feature Lines.....                                       | 8-28        |
| Slope Patterns .....                                     | 8-28        |
| Practice 8c Working with Corridors Part I.....           | 8-29        |
| <b>8.5 Designing Intersections .....</b>                 | <b>8-34</b> |
| General Tab.....                                         | 8-35        |
| Geometry Details Tab.....                                | 8-35        |
| Corridor Regions Tab .....                               | 8-36        |
| Practice 8d Working with Corridors Part II.....          | 8-37        |
| <b>8.6 Corridor Surfaces.....</b>                        | <b>8-53</b> |
| Overhang Correction .....                                | 8-53        |
| Surface Boundaries .....                                 | 8-54        |
| <b>8.7 Corridor Section Review and Edit .....</b>        | <b>8-55</b> |
| Practice 8e Working with Corridors Part III.....         | 8-57        |
| <b>8.8 Corridor Visualization .....</b>                  | <b>8-59</b> |
| Practice 8f Working with Corridors Part IV .....         | 8-61        |

|                                                      |              |
|------------------------------------------------------|--------------|
| <b>Chapter 9 Grading .....</b>                       | <b>9-1</b>   |
| <b>9.1 Grading Overview .....</b>                    | <b>9-4</b>   |
| <b>9.2 Feature Lines .....</b>                       | <b>9-6</b>   |
| Feature Line Contextual Tab .....                    | 9-6          |
| Elevation Editor.....                                | 9-7          |
| Practice 9a Working with Feature Lines .....         | 9-9          |
| <b>9.3 Grading Tools .....</b>                       | <b>9-14</b>  |
| Grading Creation Tools Toolbar.....                  | 9-14         |
| Practice 9b Create Grading Groups.....               | 9-15         |
| <b>9.4 Modifying AutoCAD Civil 3D Grading.....</b>   | <b>9-20</b>  |
| Grading Styles .....                                 | 9-20         |
| Feature Line Labels .....                            | 9-20         |
| Grading Criteria.....                                | 9-20         |
| Grading Criteria Set .....                           | 9-21         |
| Grading Volumes .....                                | 9-22         |
| Practice 9c Modify Grading and Calculate Volumes.... | 9-23         |
| <b>Chapter 10 Pipe Networks .....</b>                | <b>10-1</b>  |
| <b>10.1 Pipes Overview .....</b>                     | <b>10-4</b>  |
| <b>10.2 Pipes Configuration .....</b>                | <b>10-6</b>  |
| Practice 10a Configuring Pipe Networks .....         | 10-15        |
| <b>10.3 Creating Networks from Objects.....</b>      | <b>10-20</b> |
| Practice 10b Creating Pipe Networks by Objects ..... | 10-21        |
| <b>10.4 The Network Layout Toolbar .....</b>         | <b>10-24</b> |
| Practice 10c Creating Pipe Networks by Layout.....   | 10-26        |
| <b>10.5 Pressure Pipe Networks .....</b>             | <b>10-32</b> |
| Practice 10d Create a Pressure Pipe Network .....    | 10-34        |
| <b>10.6 Network Editing .....</b>                    | <b>10-39</b> |
| Pipe (and Structure) Properties .....                | 10-39        |
| Swap Part .....                                      | 10-40        |
| Connect/Disconnect From Part.....                    | 10-40        |
| Practice 10e Editing Pipe Networks.....              | 10-41        |
| <b>10.7 Annotating Pipe Networks.....</b>            | <b>10-46</b> |
| Pipe Networks in Sections .....                      | 10-47        |
| Pipe Network Reports and Tables .....                | 10-47        |
| Practice 10f Annotating Pipe Networks.....           | 10-48        |
| <b>Chapter 11 Quantity Take Off/Sections.....</b>    | <b>11-1</b>  |
| <b>11.1 Sample Line Groups.....</b>                  | <b>11-4</b>  |
| Modifying Sample Line Groups.....                    | 11-7         |
| Practice 11a Creating Sections Part I.....           | 11-8         |

|                                                                                          |              |
|------------------------------------------------------------------------------------------|--------------|
| <b>11.2 Section Views .....</b>                                                          | <b>11-12</b> |
| Section View Wizard.....                                                                 | 11-12        |
| Practice 11b Creating Sections Part II.....                                              | 11-15        |
| <b>11.3 Section Volume Calculations .....</b>                                            | <b>11-18</b> |
| Earthwork Volumes.....                                                                   | 11-18        |
| Mass Haul.....                                                                           | 11-19        |
| Material Volumes .....                                                                   | 11-19        |
