# Table of Contents

|  |      |
|--|------|
| <b>Preface</b>   | i    |
| <b>Acknowledgements</b>                                      | ii   |
| <b>Table of Contents</b>                                     | iii  |
| <br>   |      |
| <b>Lesson One</b>  |      |
| <b>The Revit Interface</b>                                   |      |
| Exercise 1-1   |      |
| Using the Steering Wheel & View Cube                         | 1-10 |
| Exercise 1-2   |      |
| Changing the View Background                                 | 1-18 |
| Exercise 1-3   |      |
| Closing and Opening the Project Browser & Properties Palette | 1-22 |
| Exercise 1-4   |      |
| Using the System Browser                                     | 1-24 |
| Exercise 1-5   |      |
| Changing the Ribbon Display                                  | 1-27 |
| Exercise 1-6   |      |
| Temporary, Permanent and Listening Dimensions                | 1-29 |
| Exercise 1-7   |      |
| Setting File Locations                                       | 1-72 |
| Exercise 1-8   |      |
| Adding the Default Template to Recent Files                  | 1-73 |
| Exercise 1-9   |      |
| Turning Off the Visibility of Ribbons                        | 1-75 |
| <br>   |      |
| <b>Lesson Two</b>  |      |
| <b>Revit Families</b>  |      |
| Exercise 2-1   |      |
| Working with Revit Families and Elements                     | 2-5  |
| Exercise 2-2   |      |
| Place a Lighting Fixture and a Switch                        | 2-9  |
| Exercise 2-3   |      |
| Select and Modify a Component                                | 2-12 |
| Exercise 2-4   |      |
| Copy a Component   | 2-13 |
| Exercise 2-5   |      |
| Mirror a Component   | 2-15 |
| Exercise 2-6   |      |
| Align a Component  | 2-16 |
| Exercise 2-7   |      |
| Draw, Modify, and Offset Cable Trays                         | 2-18 |

|  |      |
|--|------|
| Exercise 2-8   |      |
| Place Light Fixtures and Switches (reprised)         | 2-24 |
| Exercise 2-9   |      |
| Adding and Modifying Equipment, Devices and Fixtures | 2-27 |
| Exercise 2-10  |      |
| Adding Receptacles                                   | 2-31 |
| Exercise 2-11  |      |
| Create a New Family Type                             | 2-33 |
| Exercise 2-12  |      |
| Create a Detail Component Family                     | 2-36 |
| <b>LAB EXERCISES</b>                                 | 2-39 |

### **Lesson Three**

#### **Revit Systems**

|  |      |
|--|------|
| Exercise 3-1                               |      |
| Space Lighting Calculations                | 3-2  |
| Exercise 3-2                               |      |
| Managing Spaces                            | 3-4  |
| Exercise 3-3                               |      |
| Creating a Distribution System             | 3-11 |
| Exercise 3-4                               |      |
| Define a Power System                      | 3-15 |
| Exercise 3-5                               |      |
| Define an Electrical Circuit               | 3-20 |
| Exercise 3-6                               |      |
| Adding Space Tags                          | 3-24 |
| Exercise 3-7                               |      |
| Creating a Color Scheme for Lighting Loads | 3-27 |
| Exercise 3-8                               |      |
| Project Energy Settings                    | 3-30 |
| <b>LAB EXERCISES</b>                       | 3-32 |

### **Lesson Four**

#### **Wiring**

|   |      |
|---|------|
| Exercise 4-1                            |      |
| Place Wiring Manually                   | 4-3  |
| Exercise 4-2                            |      |
| Display Wire Tick Marks                 | 4-5  |
| Exercise 4-3                            |      |
| Create a Home Run Wire                  | 4-8  |
| Exercise 4-4                            |      |
| Create a Multiple Circuit Home Run Wire | 4-10 |
| Exercise 4-5                            |      |
| Create a Circuit                        | 4-12 |
| <b>LAB EXERCISES</b>                    | 4-16 |

**Lesson Five****Schedules**

|  |      |
|--|------|
| Exercise 5-1                                 |      |
| Creating a Lighting Fixture Schedule         | 5-2  |
| Exercise 5-2                                 |      |
| Creating a Lighting and Power Usage Schedule | 5-5  |
| Exercise 5-3                                 |      |
| Creating a Sheet List                        | 5-8  |
| Exercise 5-4                                 |      |
| Creating a Note Block                        | 5-9  |
| Exercise 5-5                                 |      |
| Creating a Schedule Key                      | 5-17 |
| <b>LAB EXERCISES</b>                         | 5-21 |

**Lesson Six****Views**

|   |      |
|---|------|
| Exercise 6-1                              |      |
| Creating a Plan View                      | 6-2  |
| Exercise 6-2                              |      |
| Creating an Elevation View                | 6-5  |
| Exercise 6-3                              |      |
| Creating a Section View                   | 6-9  |
| Exercise 6-4                              |      |
| Creating a Call-out View                  | 6-12 |
| Exercise 6-5                              |      |
| Creating a Detail View                    | 6-16 |
| Exercise 6-6                              |      |
| Creating a 3D View                        | 6-22 |
| Exercise 6-7                              |      |
| Creating a Legend                         | 6-27 |
| Exercise 6-8                              |      |
| Creating a Legend using Detail Components | 6-31 |
| Exercise 6-9                              |      |
| Creating a Drafting View                  | 6-36 |
| Exercise 6-10                             |      |
| Controlling the Display in Views          | 6-46 |
| Exercise 6-11                             |      |
| Organize Views in the Project Browser     | 6-49 |
| Exercise 6-12                             |      |
| Create a View List                        | 6-54 |
| Exercise 6-13                             |      |
| Using a View Template                     | 6-56 |
| Exercise 6-14                             |      |
| Modifying View Tag Properties             | 6-62 |
| Exercise 6-15                             |      |
| Create a View Tag Family                  | 6-66 |
| <b>LAB EXERCISES</b>                      | 6-69 |

## Lesson Seven

### **Projects**

|                        |      |
|------------------------|------|
| Exercise 7-1           |      |
| Discipline Settings    | 7-23 |
| Exercise 7-2           |      |
| Linking Files          | 7-25 |
| Exercise 7-3           |      |
| Working in a Host File | 7-29 |
| Exercise 7-4           |      |
| Coordination Review    | 7-36 |
| Exercise 7-5           |      |
| Interference Checking  | 7-42 |

## Lesson Eight

### **Annotations, Dimensions, and Symbols**

|                           |      |
|---------------------------|------|
| Exercise 8-1              |      |
| Adding Dimensions         | 8-3  |
| Exercise 8-2              |      |
| Create a Dimension Style  | 8-5  |
| Exercise 8-3              |      |
| Modifying Dimensions      | 8-10 |
| Exercise 8-4              |      |
| Adding a Text Note        | 8-13 |
| Exercise 8-5              |      |
| Create a Text Type        | 8-15 |
| Exercise 8-6              |      |
| Using Keynotes            | 8-17 |
| Exercise 8-7              |      |
| Create a Keynote Legend   | 8-20 |
| Exercise 8-8              |      |
| Tag Light Fixtures        | 8-23 |
| Exercise 8-9              |      |
| Tag Devices               | 8-25 |
| Exercise 8-10             |      |
| Define a Ground Symbol    | 8-27 |
| Exercise 8-11             |      |
| Place a Symbol            | 8-29 |
| Exercise 8-12             |      |
| Creating Arrowhead Styles | 8-31 |
| <b>LAB EXERCISES</b>      | 8-34 |

## Lesson Nine

### **Sheets and Titleblocks**

|                        |      |
|------------------------|------|
| Exercise 9-1           |      |
| Add a Sheet            | 9-4  |
| Exercise 9-2           |      |
| Add Views to a Sheet   | 9-9  |
| Exercise 9-3           |      |
| Align Views on a Sheet | 9-13 |

|  |      |
|--|------|
| Exercise 9-4                               |      |
| Update a Titleblock                        | 9-17 |
| Exercise 9-5                               |      |
| Load a Titleblock                          | 9-19 |
| Exercise 9-6                               |      |
| Adding Project Information to a Titleblock | 9-21 |
| Exercise 9-7                               |      |
| Creating a Custom Titleblock               | 9-23 |
| Exercise 9-8                               |      |
| Using a Custom Titleblock                  | 9-32 |
| Exercise 9-9                               |      |
| Defining a Revision Schedule               | 9-35 |
| Exercise 9-10                              |      |
| Modify a Revision Schedule in a Titleblock | 9-37 |
| Exercise 9-11                              |      |
| Add Revisions in a Titleblock              | 9-41 |
| Exercise 9-12                              |      |
| Using a View List to Check Sheets          | 9-45 |
| Exercise 9-13                              |      |
| Defining Sheet Organization                | 9-47 |
| Exercise 9-14                              |      |
| Printing a Documentation Set to PDF        | 9-52 |
| <br>                                       |      |
| <b><i>LAB EXERCISES</i></b>                | 9-54 |
| <br>                                       |      |
| <b>About the Author</b>                    |      |
