

A detailed photograph of a mechanical, electrical, and plumbing (MEP) system. The image shows a complex arrangement of pipes, ducts, and conduits. On the left, there are vertical pipes wrapped in white insulation, with a prominent yellow pipe running vertically. In the center, a metal ladder tray holds a bundle of black and blue electrical conduits, with a white circular light fixture attached. To the right, a large, curved metal duct is visible. The background consists of wooden paneling.
